2017 Barossa Cabernet Sauvignon

Family owned and operated, Barossa earthworks make its wines from 100% Barossa grapes, grown at small family owned vineyards.

Drawing on more than 160 years of local wine knowledge, traditional winemaking methods and minimal processing are used to preserve the purity, integrity, texture and flavour of the wines.

Winemaker's Notes

Deep ruby red in colour. Warm and enticing blueberry aromas frame a structure of luxurious mocha chocolate, sun ripened blood plums, cassis and rosemary. Round, soft and generous, the flavours lead with summer plum and berry compote, vanilla and boysenberry, followed by hints of mocha chocolate complimenting the smooth velvety finish. A wine with broad shoulders and a straight back, akin to the character of our loyal Barossa growers.

Vintage Information

A typical cold Barossa winter flowed into a wet spring and cool growing season. This meant the harvest of Cabernet Sauvignon across our Barossa vineyards was up to four weeks later than we had experienced over the last decade or so. Fine and clear weather during the harvest period and a certain degree of patience, made for excellent flavour and tannin accumulation in our Cabernet Sauvignon grapes as seen in this outstanding wine.
