BAROSSA

2017 Barossa Shiraz

Family owned and operated, earthworks make its wines from 100% Barossa grapes, grown from small family owned vineyards.

Drawing on more than 160 years of local wine knowledge, traditional winemaking methods and minimal processing are used to preserve the purity, integrity, and flavour of the wines.

Winemaker's Notes

Vibrant ruby red with crimson and magenta hues. A compote of dark berries and satsuma plums supported with spicy liquorice, mocha, vanilla and black pepper accents. Then hints of boysenberry and strawberry all converge and take your senses on a journey. A polished and voluptuous wine with a soft, round flourish of dark fruit. The aromas are mirrored by the flavours on the palate with dark chocolate undertones and silky tannins in the background.

Vintage Information

A typical cold Barossa winter flowed into a wet spring and cool growing season. This meant the harvest of Shiraz across our Barossa vineyards was about two to four weeks later than we had experienced over the last decade or so. Fine weather before and during the harvest period made for excellent flavour and tannin accumulation in our Shiraz grapes, as seen in this outstanding wine.
