EDEN VALLEY

2016 Eden Valley Riesling

Family owned and operated, earthworks make its wines from 100% Barossa grapes, grown from small family owned vineyards.

Drawing on more than 160 years of local wine knowledge, traditional winemaking methods and minimal processing are used to preserve the purity, integrity, and flavour of the wines.

Winemaker's Notes

Light golden straw in colour with green hues. Musk and orange blossom are the dominant aromas with touches of talc and lemon drops. The palate shows a generous and textured wine with opulent flavours of green apple, quince and finger lime, with a zingy acid finish.

Vintage Information

A warm and dry spring started the growing season off early. This warm weather continued through until the end of January, when approximately an inch of rain fell. The rain was welcomed and gave the vines the drink they needed to finish off ripening the grapes. The warmer days during summer and autumn were mediated by very cool nights, leading to great acid retention and pristine fruit flavours in this Eden Valley Riesling.
