## Riesling

2020

*At earthworks our grapes are grown entirely by trusted family growers on ancient soils; earth that is free draining and mineral rich. We use traditional winemaking methods and minimal intervention to preserve wine quality and integrity.*

### Vintage Information

A cool winter with lighter than average rainfalls. Mild, dry weather through the growing season produced grapes with great flavour and concentration. Aside from 31mm of welcome rain at the end of January, summer was full of sunshine and dry weather. The ensuing wine is full of citrus flavour and vibrancy.

### Winemaker's Notes

A lovely straw colour, aromas of musk, jasmine and lime leap from the glass. The palate is classic Riesling with loads of fresh, zesty, citrus flavours and a refreshing finish.

Enjoy with potato, garlic and rosemary pizza or fish and chips.

*Vintage:* 2020

*Region:* South Australia

*Winemaker:* Sam Wigan

*Total Acid:* 6.3 g/L

*pH:* 3.04

*Alcohol:* 11.5%
