SUCCESSION

SHIRAZ

2017

EARTHWORKS CELEBRATES THE TOIL AND PERSISTENCE OF THE FOUNDING GENERATION OF WINEMAKERS AND VITICULTURISTS FROM THE BAROSSA AND THEIR PASSING ON OF EXPERIENCE, KNOWLEDGE AND PASSION. SUCCESSION OBSERVES THE IMPORTANCE OF LINEAGE, CUSTODIANSHIP AND COMMUNITY.

FAMILY OWNED AND OPERATED, EARTHWORKS MAKE ITS WINES FROM 100% BAROSSA GRAPES, FROM FAMILY OWNED VINEYARDS.

WINEMAKER'S NOTES

The wine reveals dark ruby and magenta. A nose of vanilla infused blackberry and raspberry compote leads into hints of biscuit dough, star anise, ripe plum and smoked Cajun spice.

On the palate the wine is moreish, decadent and rewarding with plush milk chocolate, blood plum and soft, silky tannins.

VINTAGE INFORMATION

Family owned and operated, earthworks make its wines from 100% Barossa grapes, grown from small family owned vineyards.

A typical cold Barossa winter, flowed into a wet spring and cool growing season. Harvest across our Barossa vineyards was about 2 to 4 weeks later than we had experienced over the last decade. Fine and clear weather during the harvest period and patience by the winemaker made for excellent flavour and tannin accumulation in our Shiraz.
