SUCCESSION

SHIRAZ

2018

EARTHWORKS CELEBRATES THE TOIL AND PERSISTENCE OF THE FOUNDING GENERATION OF BAROSSA WINEMAKERS AND VITICULTURISTS AND THE HANDING DOWN OF THEIR EXPERIENCE, KNOWLEDGE AND PASSION. SUCCESSION SHIRAZ DEFINES THE IMPORTANCE OF LINEAGE, CUSTODIANSHIP AND COMMUNITY.

FAMILY OWNED AND OPERATED, EARTHWORKS MAKES WINE FROM 100% BAROSSA GRAPES, FROM FAMILY OWNED VINEYARDS.

WINEMAKER'S NOTES

Dark ruby and magenta in colour. Aromas of oaky vanilla, blackberry and plum compote lead into hints of biscuit dough, star anise, chocolate cake and warm spice.

On the palate the wine is decadent and rewarding with sticky chocolate, blood plum and soft, generous tannins.

VINTAGE INFORMATION

A long, cold and slightly drier winter. The weather warmed in spring and the vines set a healthy crop and good canopies. Typical summer warmth and minimal rainfall followed to ripen the grapes, which saw harvest commence with amazing flavour in the grapes that is mirrored in this wine.
