## EDEN VALLEY

### 2019 Eden Valley Riesling

*Family owned and operated, earthworks crafts its wines from 100% Barossa grapes, grown by trusted family owned vineyards.*

*earthworks draws on more than 160 years of local wine knowledge, traditional winemaking methods and minimal intervention to preserve wine quality and integrity.*

#### Vintage Information

A cool winter with lighter than average rainfall set the scene for the 2019 Vintage. This mild and dry weather through the growing season produced grapes with great flavour. Summer was full of sunshine and dry weather which was great for ripening the grapes. The wines are aromatic and pure, a great example of why this is one of the great regions in the world to grow Riesling.

#### Winemaker's Notes

A lovely straw green colour, this super aromatic Riesling shows musk, orange blossom, candied limes and river stones. The palate is packed with sweet citrus flavours that complement the silky texture and zesty finish.

Enjoy with potato, garlic and rosemary pizza or King George whiting and thick cut chips.
