

HEGGIES

VINEYARD

EDEN VALLEY

Heggies Vineyard is the sort of place a man would sit on his horse in silence at sunset and marvel at the ways of nature. Through the combination of innovative viticultural practices and unique terroir, this challenging and picturesque estate

vineyard produces distinctive, balanced wines – beautifully structured and long in flavour.

Nestled in the high country of Eden Valley, Heggies Vineyard is situated at an altitude of 530m above sea level where the soil is a thin layer of grey sandy loam over clay and decomposed rock. With low average annual rainfall, the vines compete vigorously for moisture and nutrients, producing wines of full flavour, finesse and balance.

ESTATE RIESLING 2018

Riesling was the foundation variety of Heggies Vineyard with the original plantings dating back to 1975. Thin gravel soils, limited water and vine age ensure crop levels at Heggies Vineyard are moderate, producing wines with a characteristic quartz-like precision and the ability to age gracefully. The combination of cool climate and altitude provide the perfect conditions for producing the distinctive, beautifully structured and balanced Riesling for which the Eden Valley region has become synonymous.

At Heggies Vineyard we ensure each vintage is of a consistently high quality. Grapes are picked in the cool of the night, with gentle handling of

the free-run juice to retain maximum fruit aromatics. The juice is fermented at cool temperatures using aromatic yeasts to maintain fruit purity and freshness in the final wine.

Pale straw in colour with green-gold tints. Very fragrant aromas of citrus blossom and bath salts with underlying notes of musk and kaffir lime. The 2018 vintage has produced a generous and textured wine with flavours of lemon curd, citrus zest and musk. The refreshing limey acid drive is complemented by a talcy, textured finish. Perfect to drink now and will cellar for 10 years.

REGION	Eden Valley
WINEMAKER	Teresa Heuzenroeder
HARVESTED	15 - 17 March
ALC/VOL	12.5%
TOTAL ACID	6.3 g/L
pH	2.92
RESIDUAL SUGAR	0.8 g/L

Lovely accompaniment to an Asian shredded chicken salad or green mango and crisp noodle salad.
