Through the combination of innovative viticultural practices and unique terroir, this challenging and picturesque estate vineyard produces distinctive, balanced wines - beautifully structured and long in flavour.

ESTATE RIESLING 2019

COLOUR

Pale straw with green tints.

AROMA

Fragrant aromas of fresh lime and citrus blossom with subtle hints of bath salts and fresh green herbs.

PALATE

Fine, elegant restraint and drive of natural acidity through the length of the palate. Flavours of fresh lime sorbet, feijoa and citrus pith abound, perfectly in balance with the refreshing slaty texture which lingers on the finish.

PAIRING

Enjoy with Asian spiced shredded chicken salad or a green mango and crisp noodle salad.

TERRIOR/PROVENANCE/REGION

Nestled in the high country of Eden Valley, Heggies Vineyard is situated at an altitude of 500m above sea level where the soil is a thin layer of grey sandy loam over clay and decomposed rock. With only 787mm of average rainfall, the vines compete vigorously for moisture and nutrients, producing wines of full flavour, finesse and balance.

VINTAGE CONDITIONS

The growing season was dry and windy with well below average rainfall, which meant below average yields across Eden Valley. Warm, dry conditions persisted throughout vintage resulting in wines with bright fruit aromas and flavours and good levels of natural acidity. Grapes were picked in the cool of the night with gentle handling of the juice to retain maximum fruit aromatics. The juice was fermented at cool temperatures using aromatic yeasts to maintain fruit purity and freshness in the final wine.
