# Little Things

## ROSÉ 2016

Nothing says 'quality time' like these lively fresh strawberry, cherry and musk flavors. Clear the diary, grab your best buddy and spend the afternoon picnicking in delicious outdoorsy bliss.

### VINTAGE CONDITIONS

Warm and dry, our climate delivered perfect growing conditions. The ample sunshine allowed our healthy vines to develop the ideal amount of flavor in the grapes before they were harvested in February 2016.

### TERROIR/SITE

Vines flourish at our vineyard estates beside the Murray River where long days full of sunshine, clean water and our endeavours come together to produce this luminous Rosé.

### WINEMAKING/VITICULTURE

Our philosophy is to take care of the little things so you don't have to. This means minimal intervention between growing the grapes and pouring the wine into your glass ... well maybe just a bit of blending of your favorite varieties to create harmony.

### TASTING COMMENT

A basket of freshly picked strawberries, or is it Turkish delight freshly unwrapped from the candy store? No matter where the aromas of the wine take you, your palate will be delighted by fresh acidity and wonderfully balanced fruit flavors.
