

WINESMITHS

— YALUMBA —

SHIRAZ

In 1849 a young man by the name of Samuel Smith, with a passion for horticulture, purchased 30 acres of land in the newly settled Angaston. He planted a vineyard and an orchard, which grew to bear fruit and his family prospered. 170 years of winemaking and horticulture later,

the elm trees he planted still overlook Smith's original garden and his great-great-grandson continues the family tradition of winemaking, horticulture and craftsmanship. Five generations of Winesmiths have created this timeless range of premium cask wines.

Plum fruit with a cheeky hint of spice.

TASTING NOTE

Ruby red and richly fragrant, this Shiraz expresses delicious blueberry and plum fruit flavours followed by a hint of peppery spice and oak. This is always a great wine to drink with red meat; whether a roast in winter or a lazy summer BBQ on the deck.
