

Y Series viognier 2015

Here at Yalumba we believe that one good wine leads to another, and our Y Series was created with that belief in mind.

The Y Series represents a collection of iconic classics and exciting new varieties. Each authentically crafted with fruit from South Australia's most celebrated wine regions.

We hope that the bottle you hold in your hand right now marks the beginning of a delicious journey, and we look forward to sharing our love of wine as you explore the Y Series.

WINEMAKER COMMENTS

After a cool spring, December and most of January were cooler than average. This cool start was followed by a return to warmer conditions at the end of January. This warm weather continued into February and accelerated the ripening of the Viognier with the blocks being harvested earlier than previous years but with the lush varietal flavours that we love and which match so well with spicy foods.

Sweet honeysuckle and jasmine fragrances set the scene for an exotic blend of grapefruit, lemongrass and stone fruit flavours. This alluring, silky white wine is rich, rewarding, and nothing short of delicious.
