

# The Y Series

## Viognier

2019

At Yalumba we believe that one good wine leads to another. The Y Series was created with that belief in mind.

The Y Series is a collection of iconic classics and exciting new varietals. Each wine is authentically crafted with fruit from South Australia's most celebrated wine regions.

We look forward to sharing our love of wine with you as you explore the Y Series.

### Winemaker Comments

After harvest the Viognier grapes were gently pressed and the juices handled with controlled oxidation. Fermentation took place in stainless steel tanks utilising the naturally occurring indigenous vineyard yeasts. The indigenous yeasts create layers of flavour, complexity and richness. After fermentation, the wine remained on lees for three months, adding creaminess and palate richness.

### Tasting Notes

Bright straw in colour with green hues. There are lovely aromas of orange blossom, fresh ginger, hints of honeysuckle and white flowers. The palate has fresh pineapple, Chinese white tea and dried figs leading to a creamy mid palate with a silky, textural finish. The wild fermentation and lees ageing gives the wine an extra level of complexity on the palate that belies its age.

Drinks perfectly with harissa chicken or crispy rice pancakes with potato and chickpeas.
